**At Controls West, Inc. we deliver guaranteed solutions as the preferred provider of automation, communication, and measurement solutions.**

**Providing our customers with the highest quality service is never having to say we're sorry.**

SELLING QUALITY PRODUCTS YOU CAN TRUST

## TESTIMONIALS

"Your fast response has supported our instrumentation needs and requirements, and we look forward to continuing doing business and working with Controls West."

— Michael J. Spolar  
Western Refining

"Controls West consistently exceeds our expectations with their superior service and expertise. They are quick to respond to all of our instrumentation needs."

— Denver Smith  
Morton Salt Company

"Over the years I have worked closely with Controls West and have always been satisfied with the service that we receive. I always feel comfortable calling on anyone from Controls West; for service, advice, information, ordering instrumentation, or improving/adding to our SCADA/HMI system. I know that Controls West is only satisfied when we as customers are satisfied."

— Eric Martinez  
City of Tempe (Water Utilities)

## PRODUCTS

### Flow Metering

Belt Scales  
Coriolis Mass Flow  
Doppler  
Flow Switches  
Magnetic  
Orifice Plate  
Pitot Tube  
Transit Time/Ultrasonic  
Valves  
Variable Area  
Vortex Shedder  
Venturi  
Weightfeeders

### Level Measurement & Control

Hydrostatic  
Open Channel  
Pressure  
Radar  
Capacitance  
TDR  
Ultrasonic  
Point & Continuous

### Process Control & Recording

Multi-Loop Controllers  
Single-Loop Controllers  
PLCs and RTUs  
Circular Chart  
Strip Chart  
Video Recorders  
HMI

### Wireless Communication

Serial & Ethernet-Analog & Digital/Control  
Spread-Spectrum/2.4 GHz & 900 MHz  
Pressure-Temperature-Level-Acoustic  
Cellular/Satellite, Mesh Network

### SCADA/HMI

Software for Data Logging, Visualization & Control  
Data Warehousing & Process Analysis  
Training & Programming Services

### Burner Management & Combustion Control Systems

Shut off Valves  
Vent Valves  
Burners  
Lo Nox Burners  
Burner Controls  
Flame Detection

### Analytics & CEMS

pH, Conductivity, ORP  
DO, CO<sub>2</sub>, TOC, O<sub>2</sub>  
Ozone, Turbidity, Resistivity  
Combustible Gas  
Toxic Gases, LEL  
Pollution Instrumentation

### Temperature Measurement

RTD's/Thermocouples  
Transmitters (Lifetime Warranty)  
Controllers  
Switches

### Pressure Measurement

Transmitters (Lifetime Warranty)  
Level  
Switches  
Gauges  
Transducers  
Wireless Pressure

### Energy Measurement

Thermal Energy Meters  
BTU Meters  
Custody Transfer Meters  
CHAMP

### Switches & Miscellaneous

Capacitive & Inductive Switches  
Photoelectric  
Flow & Level & Temperature  
Proximity Switches  
Digital Panel Meters  
Counters, Encoders, Timers  
Air Cylinders  
Air Regulators  
Gauges  
Chart Paper & Pens

### Safety Related Products

Wireless Video & Data  
Flame Safeguard-Single &  
Multi-Burner  
Toxic Gases  
LEL  
Oxygen Analyzers
